Hostal Javea House Rules

Guests at The Hostal Javea are asked to read our house rules carefully as breaking these rules might result in dissolution of the booking agreement and loss of the security deposit.

A. Number of guests:

The property may not be occupied by more persons than started in the booking confirmation if not otherwise agreed (even at a single event).

B. Noise:

Please do not make any noise outside during siesta- time from 14:00 – 16:00 h and after 23:00 h.

C. General Cleaning:

To avoid ants and insects in your holiday home during your stay, you need to keep all areas clean at all times. Don't leave any food or drinks unsealed or in the open. There is cleaning equipment available. Upon departure, the tenant commits to returning the Hostal Javea in a generally clean state – See our separate departure information provided in the hostel and from our duty manager.

D. Garbage

The garbage has to be brought outside on the main road, where the Containers are just to your right-hand side. In Spain, they have containers for glass, carton, paper, pet and the rest of the trash. Bring the garbage to the bin daily to avoid insects. Remember you are in the country-side and in the south, that way we avoid smells and insects/animals. When you check-out please make sure, that there is no garbage left inside nor outside.

E. Security

Please close the main entrance at night and when you leave during daytime. Please close also the parking gate after leaving or coming back. Please keep track of your keys, as lost keys will result in change of locks, and you will be charged from your deposit accordingly.

F. Furniture and Parasols

Indoor furniture and soft furnishings are not for use outside on the pool area. Sun parasols have to be folded at night and when leaving the premises, due to sometimes sudden strong winds. Cushions for outside chairs should be kept inside when it is raining and/or when you leave the premises.
